

CARDS FOR KIDS

“Opening up a Smile”

Cards for Kids creates handmade and painted cards for children and youth worldwide facing poverty, homelessness, or a difficult situation. The cards are meant to brighten their day and bring a smile to their face. This global project was started by a high school student, Haley Burgess. Since the project began in November 2009, Haley and CFK have been recognized in newspapers, news channels, and various other media forms. Learn more about how you can participate by visiting the CFK website!
